5/30	Tie dyeing t-shirts with the 2nd grade
5/30	8th Grade Graduation; 7:00 PM
6/4	Deadline for completing Ice Cream Genre reading

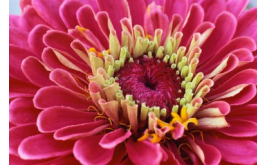

## Academic Spotlight—Social Studies

We are in Unit 6 this week—the Southwest. We are learning all about the geography, economy, and people of the this large region.

Even though it is a big region, the South-

west only includes 4 states! We learned this week about some important natural resources in this region, as well as what types of agriculture and manufacturing are located here.

*Thank-you for the flowers, gifts, sweets, and affirming words during Teacher Appreciation Week last week. I am blessed to have each of your students in my classroom, and I felt so loved and cared for by all of you last week. Thank-you!*

## Tie Dyeing T-Shirts

We will be tie-dyeing t-shirts for SMLS Field Day in the morning on Wednesday, May 30. Please make sure your child has a clean, pre-washed, white t-shirt at school by Tuesday, May 29. I have a list on the whiteboard in our room which says if your child already has a shirt at school.

Please also send in \$2.00 with your child by Wednesday, May 23 to help cover the cost of the dye.

### We need you!

Interested in helping tie-dye? Please let me know! I need at least 3 helpers for this fun event.

### Tie Dye is permanent...on everything!

On May 30, please send your student to school in old clothes (the dye is permanent on *all* their clothing and shoes, not just the t-shirts!).

### Next Week's Memory Verse

Jesus said to her, "I am the resurrection and the life. Whoever believes in Me, though he die, yet shall he live, and everyone who lives and believes in Me shall never die." John 11:25-26
