

# Kindergarten

Summer will soon be here...

## Kindergarten

Wow! I can't believe the year is almost complete! Below is a list of special things we will be doing next week and some important information for you to plan on.

### Monday, June 1st

No School- Memorial Day!

### Tuesday, June 1st

We will be making special gifts for our Dad's! We will also be having our angel party that we earned for working together as a class while showing good behavior! On Tuesday, students may wear their pajamas and bring one stuffed animal! We will be watching a movie and having a good old time!

### Wednesday, June 2nd

On Wednesday we will be

cleaning out our lockers as a class. Please send your child on Wednesday with an empty backpack to put all our treasures in to take home. We will also be bringing home some printed books to read over the summer. I would encourage everyone to continue to have your child read and write this summer. Also, I would encourage you to pick up one of those large workbooks you can buy at a store like Meijer or Walmart and have them do a page a day over the course of the summer!

### Thursday, June 3rd

#### On Thursday, June 3rd Kindergarten will be all day!

Please be sure to send your child with a lunch that day if they are used to being here only in the morning for Kindergarten. We will be providing an escort service for the spellers in the Spelling Bee at 9:30a.m. This is a great opportunity to get excited about participating in the spelling bee next year in first grade. Field day will be in the afternoon at 1:00 p.m. PTL is providing ice cream as a special treat! Thank-you PTL!! Please feel free to come join us for both, just make sure you sign in at the office. **Pick up time will be in the classroom at 3:30!**

*-Mrs. Mohler*

## Mrs. Mohler's Class News

Volume 2, Issue 32

"But those who hope in the LORD will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint."

Isaiah 40: 31

Upcoming Events	1

## God's Blessings This Summer!!

### Tux, of Math Command!

AKA TuxMath is an arcade game that helps kids practice their math facts (addition, subtractions, multiplication, division, adding and subtracting negative and positive numbers, fractions and factoring). The main goal is to make it effective and fun!

It is a free program and it can be downloaded from:  
<http://tux4kids.aliath.debian.org/tuxmath/>

A great Summer learning opportunity!!!!

If you can help with an event at field day, please stop in and let the office or Mrs. Calnin know!
