Special Dates

Parent Conferences

Parents who have signed up for a conference time have received a form with a place to write questions. I am looking forward to discussing the progress of your student either Tuesday or Thursday evening. If you have not requested a conference but would like one, it is not too late! Call the office on Monday and we can fit you in!

LIVE 
GENEROUSLY

Action Team

- ◆ *Our class will be packing school kits for children in far away places. Lutheran World Relief will send these kits to places across the country and around the world. We would like to pack 50 or more kits. I have received a Thrivent Action Team grant to help with this project. There are T shirts to wear for the event but we need more supplies to pack. Please help if you can. These are the things we could use:*
24 count crayons,
pencils,
70 page notebooks,
pencil sharpeners,
pens,
safety tip scissors,
12" rulers.

Monday, April 9

School Resumes

Tuesday and Thursday, April 10 and 12

Optional Parent Teacher Conferences

Friday, April 13

End of quarter 3

Records Day 1/2 day of attendance

Thursday, April 19

Pajama Day with Show and Tell!

Open House!

Friday, April 20

Report cards sent home

Saturday, April 21

Tuition Assistance Dinner

Monday—Friday April 23—27

Standardized Tests

ITBS all week

Thursday, April 26

Packing School Kits in the afternoon

Theme Verse:

"Listen my son, and be wise and keep your heart on the right path." Proverbs 23:19

One in Christ

Learning about God

He is Risen! He is Risen, Indeed!

Easter day is past, but we continue to rejoice in the Good News of our Risen Savior! Did you hear about the Resurrection buns we made? They were empty, like the tomb on Resurrection day!

This week the class will receive our next book, "Jesus Speaks to the People." In this book the class will learn the lessons Jesus wants us to know. Jesus taught His lessons using stories or parables. The new memory verses will be sent home tomorrow, Monday. It is never too late to learn God's Word!

Theme Verse 2017-2018: "Listen my son, and be wise, and keep your heart on the right path." Proverbs 23:19

Reading Goals

The class will begin the last unit for our Reading Street series. The theme for the unit is clever solutions.

When does a problem need a clever solution? Our first selection is called, "Tippy-toe Chick, Go!" where a small chick devises a solution to the problem of a large dog in the way of their food. The message is, "You don't have to be big to make a difference." Our class can make a difference by packing school kits. We hope parents will help by donating the school items listed on the front page.

The phonics lessons this week will include the sound for ow as in the word "how." Also, the syllable with a consonant followed by -le at the end of a word.

The spelling list is attached. The test will be on Friday, as usual.

Math

Learning the number combinations for 10 will help when we subtract a number from 10 this week. The class will learn the term "dozen" for 12 and "half dozen" for 6. Students will be using a ruler to measure feet and have a fact assessment.

Science and Social Studies

The class can earn "money" from Mr. Flick during Junior Achievement class. They have learned about families, wants and needs and jobs.

Chapter 7 in Science will help us learn about the seasons. Hopefully we will see spring soon!
