

# News From Room 122

Here's what we have been doing this week!

## Language Arts

This week we read an informational text about Cowboys and all the hard work that they used to do on ranches. We have one more unit in language Arts and one more spelling test. It's hard to believe that the year is winding down so quickly.

We are still working on our Poetry Project. We have 3 more poems to write and type and then we will add some pictures to our poem book. I hope the students will treasure these poems in the years to come!

## Science

We started learning about the ocean. Did you know that there were three categories of living things in the ocean? They are floaters, free swimmers, and bottom dwellers. See if your child can name some living things in each of those categories!

## Math

We started Division this week. We learned that when we divide by 2 we are finding half of the number. On Monday we will be filling out a multiplication table. We will be finishing up our math lessons in the next week. I will be giving the students some things to work on over the summer to keep up the skills they have learned this year.

## History

We started talking about the Civil War. We learned that ending slavery wasn't a reason for the Civil War initially. We learned that President Abraham Lincoln signed the Emancipation Proclamation that said if the North won the war slaves would be free!

2016-2017 School Verse

The grass withers, the flower fades, but the Word of our God will stand forever.

Isaiah 40:8

## Bible

During the year, we have traveled through the Old and New Testaments, and we have learned of Bible heroes, adventures, miracles, and ministries. Most of all, we have learned about God's great love for us, sent in His only Son, Jesus. Because of this amazing gift from God, we have salvation. In our last Bible unit, we will see examples of how early Christians spread the Good News of Jesus with others. The mission Jesus gave to His followers is the same mission He gives to us. Someone near you needs to know the Good News of salvation in Jesus Christ.

## Upcoming Memory

May 26

Therefore if anyone is in Christ, he is a new creation. The old has passed away, behold, the new has come.

2 Corinthians 5:17

June 2

[Jesus said,] "Go into all the world and proclaim the gospel to the whole creation."

Mark 16:15

## Mark Your Calendars!

- No school Monday, May 29 for Memorial Day
- June 9 is the last day of school. It is field day and school will be dismissed at 11:30.
- Report cards will be sent home a week after school is out.

## Picture of the Week
