

News From Room 122

Here's what we have been doing in 2nd Grade!

Language Arts

The past few weeks we have been reading a nonfiction text called "Money Matters". This text told us about a lot of facts about being sensible with our money. We then read a story called "I Wanna Iguana". This was a fiction story with persuasive letters written from a boy named Alex to his mom. We have been talking about opinions and supporting our opinion with reasons and explanations. Our next writing assignment will be a persuasive letter.

Science

In Science we have been learning different types of habitats. We learned about how God provided the animals in each habitat everything that the need to live. We learned about how some animals protect themselves with camouflage. We will be learning about endangered animals and then we will review and take a test on this unit.

Math

We have been practicing counting pennies, nickels, and dimes. The students are doing well with this concept. We have also been learning about measuring to the nearest inch. We also learned about symmetry and how God made our bodies to be symmetrical. We learned how to find a line of symmetry on different shapes.

History

We have been taking a break from History to prepare for the Christmas program and complete a project for parents. We will begin learning about Ancient Greece soon.

2018-2019 School Verse

Since we live by the Spirit, let us keep in step with the Spirit.

Galatians 5:25

Jesus Time

We are learning how God is faithful. He blesses those who trust His Word. He is faithful even when we are faithless. The stories we are learning about compare and contrast the faithless with the faithful. We will see that although people sin, they can be assured of God's forgiveness, love, and protection. These gifts Christ has won for us by overcoming our great enemies: sin, death, and the devil.

This truth gives hope to us today. The knowledge that God will be with us through any hardship, crisis, or trial gives us strength. The knowledge that God surrounds us with His love and protection gives us courage and comfort. We can face all of our daily challenges with prayer, and by remembering the words of the apostle Paul, "If God is for us, who can be against us?" (Romans 8:31).
