

# News from the Classroom

Mrs. Worm 1<sup>st</sup> grade 2018-2019  
Week 24

## Math + Science

**Math:** We get to use a ruler this week! Woop woop! We'll also be sorting objects based on their features, adding TWO-DIGIT NUMBERS without regrouping/carrying. It's going to be a lot of "new concepts", so keep practicing those basic skills with your child so he/she can confident!

**Science:** We are over and done with insects and *moving* on to MOVEMENT! We're going to be exploring directionality, gravity, wind sound waves, etc. There is so much movement in our world! This is going to be fun ☺

## Language Focus

Our new unit has us talking about Arbor Day and the importance of family and tradition. We have been learning a bunch of vocabulary ie. lumber, saplings, pastures, celebrating, success

I'm hoping to connect with a company that plants trees around the area. Our class could support the work being done to make sure trees are part of our parks and neighborhoods! We will work on writing letters and creating illustrations to give to this company along with other curricula work ☺

**\*Spelling: consonant/consonant blend "nk" "ng"** (sunk, link, rank, wink, kink, king, wing, song, hang, bang)

\*Library Wednesday

## Extra News

**LSW** has been reassigned to go from **March 11<sup>th</sup>-15<sup>th</sup>!**

**KSO Field Trip** is on Tuesday, February 26<sup>th</sup>. Permission slip will be out soon ☺

**Show and Tell:** Have your child bring in something he/she can measure with a ruler! We will sort our objects by size as a class!

**1<sup>st</sup> Grade is singing in chapel** this week! You are more than welcome to join in worship at 9:00am on Friday.
