

# Happy Campers News

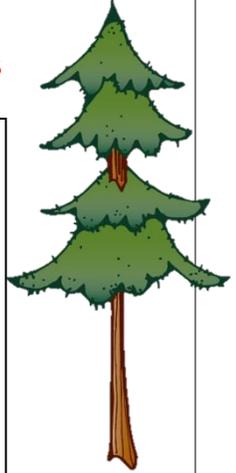

## Language arts

This week, we read The Four Seasons and The Seasons of Arnold's Apple Tree. These books talk about the changes in the seasons and sang songs. We practiced our two new popcorn words this week, is and have. We also practiced writing the letters h, k, and i.

**Reading:** simple books with patterns in text, alphabet books

**Math:** ordering numbers, ordinal numbers and finding a missing number in a list

**Science/Social Studies:** seasons

### Heintz Sight

On our way to church, we used to talk to our kiddos about what we expected from them. Common courtesies, saying thank you if someone complimented them on a hair ribbon or a fancy shirt. We laid it out for them and told them what we expected. You do the same. As you ride in the car, as you eat your meals, as you ready them for bed, you are training your child up in the way they should go. Press on!

## Math

This week in math, we compared shapes, studied more attributes of shapes and sorted buttons.

## Bible Lessons around the Fire

We don't always understand why things happen to us, but we know God never stops loving and caring for us. In our bible lesson this week, we learned about Joseph and his brothers. (Genesis 41:37-45:15) Joseph experienced pain and hurt, but God never stopped loving him. Pray with your child to trust in God during hard times. God loved us so much that he sent His one and only Son to die for us. We can trust Him to be with us in the painful, sad times. God is sovereign!
