Tuition Assistance Applications

St. Michael Lutheran School offers tuition assistance to qualifying families. The amount of tuition assistance available varies from year to year because all tuition assistance money is generated annually from many special events as well as generous donations of individuals. We use the services of **TADS**, a national company which specializes in analyzing financial need. Applications for the 2019-20 school year are now available online at stmikeschool.org. **Deadline to apply for current families is June 15.**
