

Happy Campers News

Upcoming events

Language arts

Before we broke for Spring, we began a new unit on seeds and plants. We continue to learn about seeds, plants, and patterns in plants. This week, we will work on the letters v and z. Our vegetable garden is starting to sprout! We will watch our seedlings grow and get ready to transplant them to our vegetable garden.

May 6-10 Fitness Week
May 6 Fellowship at Blaze Pizza (Main Street) 5:30-8:30
May 10 Yearbook Orders Due
May 18 Tuition Assistance Scholarship Dinner
May 21 Concert in the Park

Science/Social Studies: seeds, patterns in plants, patience

Bible: Thomas Sees Jesus

Heintz Sight

Does your child have chores to help at home? Chores can help kids learn responsibility. Here's a list of some things your kindergartener can have success doing: matching socks, setting the table, dusting the base boards, emptying the dishwasher and gathering the trash. Try it! You both might like it!

Math

This week in math, we practiced recognizing and writing numbers 0-30 and we learned about spheres. We sorted coins and learned about quarters and dollars. We also covered designs with tangrams and covered half of a shape.

Bible Lessons around the Fire

This week we learned about Jesus rising from the dead and showing Himself to His friends.
