MARCH 26, 2018

Thursday is opening day!
Please wear your favorite team's gear on Thursday to show your school spirit.

Each week I will send home a week at a glance. This will show you what is happening in our room. Please also check your child's planner. They are required to keep this up daily!

Spelling words:
(Homophones)
to, too, two, week, weak, road, rode, stair, stare, bear, new, knew

POSTCARDS!

We are starting our postcard map! If you have friends/relatives who live out of state, please ask them to mail our class a postcard from their state. Please have them include an interesting fact about their state so we can learn a little more about each one. Watch the map at the end of the hall to track our progress. We hope to get a postcard from every state!

Please mail postcards to:

St. Michael Lutheran School

Thank you all for your kind words, understanding, expressions of sympathy and outpouring of love during the past few months. As you know, this has been an extremely difficult time for me. I cannot tell you how much I appreciate all of your support. I am truly blessed to have such a wonderful class.

Notes and News: There is a Notes & News board in the front of the classroom. If you ever need extra copies of assignments or the week at a glance they can be found there.

Memory Verse for 3/9/18
Whoever believes and is baptized will be saved.
Mark 16:16
Memory will be done on Friday. Students will be given a printed sheet with some of the words missing. They will fill in the missing words. If you have any questions, please let me know.
