If you have a minute, please stop in and take a look at the log cabins! They are incredible!

Each week I will send home a week at a glance. This will show you what is happening in our room. Please also check your child's planner. They are required to keep this up daily!

POSTCARDS!

We are starting our postcard map! If you have friends/relatives who live out of state, please ask them to mail our class a postcard from their state. Please have them include an interesting fact about their state so we can learn a little more about each one. Watch the map at the end of the hall to track our progress. Thank you all for your kind words, understanding, expressions of sympathy and outpouring of love during the past few months. As you know, this has been an extremely difficult time for me. I cannot tell you how much I appreciate all of your support. I am truly blessed to have such a wonderful class.

Notes and News: There is a Notes & News board in the front of the classroom. If you ever need extra copies of assignments or the week at a glance they can be found there.
