Schmerheim Review

St. Michael Lutheran School

APRIL 29, 2019

Looking for a volunteer to teach Jr. Achievement in 3rd grade. If you are interested, please let me know. I have all the materials.

There is no week at a glance this week due to IOWA testing and our different schedule. Thank you.

IOWA TESTING!

We will complete IOWA testing this week. Please try to have your child get plenty of rest and eat a good breakfast. We want them at their best for the testing

We are still working on our state reports and travel brochures in class. We are behind due to limited computer use because of IOWA testing. I just wanted to give you all a heads up. There is nothing you need to do at home for these assignments.

UPCOMING DUE DATES

Book Report Due Dates 5/20/19

Spelling Pre-Test 5/3/19
Final Test 5/6/19

Memory 5/3/19

REPORT CARDS

It has been our practice of giving numbers in place of letter grades for third grade level gym class. Due to trouble with the grading software, the program defaulted to letter grades instead of the usual numbers. We will be correcting that error and sending home updated copies of your child's 3rd quarter report cards reflecting numbers rather than letters for gym class.

Spelling words:

create, medium, piano, knew, write, stare, because, enough, daughter, neighbor, ceiling, conceited, eighteen, crunchy, payment, selfish

Notes and News: There is a Notes & News board in the front of the classroom. If you ever need extra copies of assignments or the week at a glance they can be found there.

Memory Verse for 5-3-19

"Be devoted to one another in love. Honor one another above yourselves."
Romans 12:10

Memory will be done on Friday. Students will be given a printed sheet with some of the words missing. They will fill in the missing words. If you have any questions, please let me know.

"Since we live by the Spirit, let us keep in step with the Spirit." Galatians 5:25
